

CULN248: Cooperative Education III

This course includes 100 hours of fieldwork and is designed to provide students with the on-the-job-training and practice in career settings through a faculty approved work site. The purpose is to apply the principles and theories taught in the educational environment with the real-life projects in a professional work setting. Students will be assigned a position at an approved site prior to the start of the course and complete required hours and assignments by the end of the course. Each student will be assigned fieldwork that is consistent with his or her professional goals.
