

Library, Tutoring, and Academic Support Services

There are three libraries at Atlantic Cape Community College, one on each campus. The Mays Landing campus is the location of the main library, William Spangler Library, which is in D Building. The Atlantic City campus is the home of the Worthington Information Commons, and on the second floor of the Cape May campus is the Mullock Family Library. Visit the [library website](#) for more information, including the schedule for each of the libraries.

The libraries provide students with access to resources that support research and learning at the undergraduate level. The libraries are also the location for in-person tutoring, which is free to all students. (See Tutoring Services section for more information.) The libraries provide a wide range of academic support for students and faculty. Books, articles, and other information resources are available in print and digital formats, and reference librarians provide assistance in identifying the best resources for any research project.

Mays Landing Campus

William J. Spangler Library

Daniel Leeds Hall (D1)
