

Make-Up Testing

The Testing Office provides alternate testing opportunities for students unable to take a scheduled classroom test for one of the following reasons:

- A documented disability identified by the Center for Accessibility
- A religious holiday
- An emergency situation

The student should make arrangements with their instructor to initiate the make-up test. Once the instructor and student agree upon arrangements and the test is received by the Testing Office, the student should call or go to the Testing Office to make an appointment. Acts of cheating will not be tolerated. The instructor will be notified and the student will be banned from using the services, as stated in the Student Handbook. Students using these services as an accommodation must contact the Center for Accessibility for alternate testing arrangements.

The Mays Landing office is located in J building or call (609)625-1111, ext. 5633 or 343-5633. For the Cape May County Campus call 463-3775. For the Worthington Atlantic City Campus call 343-4831 for assistance.
