

Hospitality Management, Associate in Applied Science

The hospitality industry is the number one employer in Atlantic County. This degree, coupled with experience prepares students for management careers in hospitality including hotels, restaurants, casinos, and other hospitality and tourism related businesses.

In addition to hotel management courses, students are exposed to a variety of courses in business administration, which enable them to make appropriate business decisions.

In their final semester, students are required to complete a mandatory 135-hour internship in a hospitality-related business.

Many classes are scheduled in three-hour blocks to reduce travel time. Transfer credits are accepted pending approval from the Admissions Office. The degree can be earned part-time.

For information, contact area coordinator, Dr. Karl Giulian, at (609)343-4996 or kgiulian@atlantic.edu.

Upon completion of this program students will be able to:

- Identify and use quantitative skills to make appropriate business decisions;
- Discuss human behavior theories and societal influences impacting the hospitality industry;
- Demonstrate effective communication in writing, reading, listening and speaking;
- Describe and demonstrate examples of exemplary customer service;
- Illustrate safe food handling and responsible alcohol service;
- Utilize computer software and online resources;
- Develop solutions to current hospitality operational problems;
- Demonstrate ethical behaviors in professional situations;
- Analyze workplace problems and formulate solutions
